Jama J. Greenlee

May 28, 1963 - December 7, 2022

Jama started at Midwest City Credit Union in February 2008, and joined the Oklahoma Federal Credit Union family in May of 2014 serving as the MWC Branch Manager. Jama loved serving the members of the credit union, she valued each and every one of them and took a personal interest in their finances and lives. She will be missed tremendously by everyone that knew her. Our prayers are with her family during this difficult time.

+ Keep Your Money Safe.

If you are shopping online, keep your money safe with these helpful tips from OKFCU.

Keep your personal information safe.

No one should be asking for your banking username and password or access to your online banking, so be sure and keep that information confidential. Protect your online accounts by using unique, strong passwords and utilize-multi factor authentication, when possible.

Verify the legitimacy of websites.

If you are shopping online, make sure the website URL matches the SSL certificate by looking for the lock icon next to the URL you are visiting. Visit websites directly, and avoid clicking on the third-party links sent by email or text as they could be sending you to a spoofed site.

Beware of scams.

If you receive an email or text message you weren't expecting that includes suspicious links or attachments, don't click on the links or open the attachments, and immediately delete it. OKFCU will never ask you for your online banking username, password or authentications codes. Do not give these to anyone.

Additional Resources.

One of the best ways to discover unauthorized or suspicious activity on your account is keeping a close eye on your transactions. OKFCU online and mobile banking makes it easy to keep track of your money. If you need assistance to enroll in online banking or mobile banking, stop by a branch location or call and we will help you get set up. If you are unsure about the legitimacy of a text, email or call, please contact OKFCU at 405-524-6467.
